

Clean Campaign Pledge

As a Democratic candidate for the 44th Assembly District in the 2006 election, I pledge to conduct my campaign openly and fairly:

- I will discuss the issues and participate in fair debate with respect to my views and qualifications.
- I will not engage in, nor be involved with, unfair or misleading attacks upon the character of an opponent, nor will I engage in invasion of personal privacy unrelated to fitness for offices.
- I will not be part of any appeal to prejudice
- I will neither use nor be involved with the use of, any campaign material or advertisement that misrepresents, distorts or otherwise falsifies the facts regarding an opponent.
- I will clearly identify the source of all campaign material published or distributed on my behalf.
- I will not accept any special interest money that would create a conflict of interest in Sacramento.
- I will accept the voluntary spending limits that the voters decided were appropriate for a primary race when they passed Proposition 34.
- I will publicly repudiate any support deriving from an individual or group whose activities would violate the principles of this pledge.
